

Educational Outcome Report: 2013-2014

Stephen Lin and Andrew Schroeder, Bellarmine University

2014 Interns, Adelante Hispanic Achievers

General Adelante Information

Adelante aims to enhance and improve the education of Hispanic students and serves a population of 100 students. Of these 100 students, 67 actively participate (attend a minimum of 50% of sessions offered in the school year); and 4 actively participate in two programs. Adelante offers three programs: Saturday Mentoring and Enrichment, Wednesday After-School program at Thomas Jefferson Middle School, and Thursday After School program at Myers Middle School. The following data will be categorized by each program, but will first address all active students being served by Adelante.

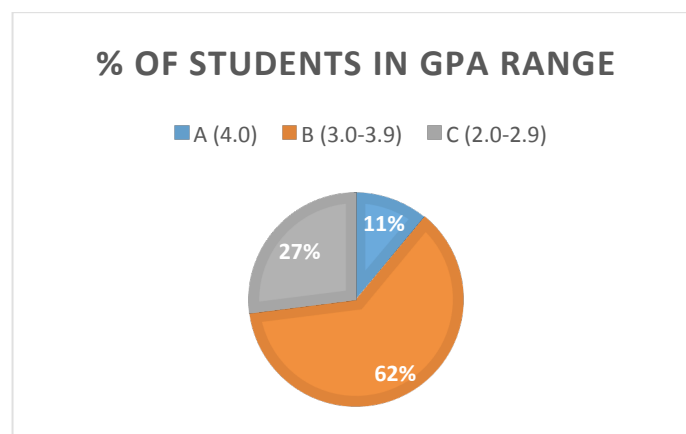

- 100% of Adelante participants have a C average or better
- 65% of students have a B average or better
- 8% of students have a perfect 4.0 (A) GPA
- More than half of all Adelante students (51%) take Advanced Placement, Advanced, or Honors courses at their respective middle and high schools
- Over 65% of students participating in Adelante this year are returning from previous years which speaks to the year-to-year retention of the programs and the quality of instruction the students are receiving
- 88.7% of Adelante students receive free or reduced lunch at school

Adelante Senior Achievements

- 5 graduating seniors (100% of seniors)
- Average high school un-weighted GPA: 3.62
- All 5 students received college scholarships
- All 5 students are deemed “College-Ready”
- Each will attend college from one of the following institutions: University of Virginia, J.B. Speed School of Engineering at the University of Louisville, University of Kentucky, and Eastern Kentucky University
